

Publications

List of Publications by Professor A. S. Dissanaïke

1. Dissanaïke AS. Acephaline gregarines of the Ceylon Earthworm, *Pheretima peguana*. Ceylon Journal of Biological Sciences 1953; 25:161-166.
2. Dissanaïke AS. *Giardia ovis* in the intestine of *Nematodirus fillicollis* – a Paraneoxenous association. *Rivista Parassitologia*, 1954; 15:381-390.
3. Cooray GH, Yoganathan M, Dissanaïke AS. *Enterobius vermicularis* in a suppurating cyst of the female breast. Ceylon Journal of Medical Science 1954; 8:199-201.
4. Dissanaïke AS. Emergence of the Sporoplasm in *Nosema helminthorum*. Nature, Lond. 1955; 175:1002-1003.
5. Dissanaïke AS. A New Schizogregarine *Triboliocystis garnhami* n.g., n. sp. and a new microsporidian *Nosema buckleyi* n. sp. from the fat body of the flour beetle *Tribolium castaneum*. Journal of Protozoology 1955; 2:150-156.
6. Dissanaïke AS, Dissanaïke GA, Niles WJ. Infective filarial larvae tagged with Phosphorus-32. Transactions of the Royal Society of Tropical Medicine & Hygiene 1956; 50:425.
7. Dissanaïke AS. On protozoa hyper-parasitic in helminths, with some observations on *Nosema helminthorum* Moniez, 1887. Journal of Helminthology 1957; 31:47-64.
8. Dissanaïke AS, Canning EU. The mode of emergence of the sporoplasm in microsporidia and its relation to the structure of the spore. Parasitology, 1957; 47:93-99.
9. Dissanaïke AS. The morphology and life cycle of *Nosema helminthorum* Moniez 1887. Parasitology, 1957; 47:335-346.
10. Dissanaïke AS. Some preliminary observations on Echinococcus infection in local cattle and dogs. Ceylon Medical Journal 1957; 4:69-75.
11. Dissanaïke AS, Dissanaïke GA, Niles WJ. Production of radioactive infective larvae of *Wuchereria bancrofti* in *Culex fatigans*. Experimental Parasitology 1957; 6:52-59.
12. Dissanaïke AS, Dissanaïke GA, Niles WJ, Surendranathan R. Further studies on radioactive mosquitoes and filarial larvae using autoradiographic technique. Experimental Parasitology 1957; 6:261-270.
13. Dissanaïke AS. Experimental infection of tapeworms and oribated mites with *Nosema helminthorum*. Experimental Parasitology 1958; 7:306-318.
14. Dissanaïke AS. On Hydatid infection in a Ceylon Toque monkey *Macaca sinica*. Ceylon Veterinary Journal 1958; 6:33-35.
15. Dissanaïke AS, Billimoria DP. On an infection of a human eye with *Philophthalmus* sp. in Ceylon. Journal of Helminthology 1958; 32:115-118.
16. Dissanaïke AS, Jayasuriya DJC. Some parasites hitherto unreported from pigs and cattle in Ceylon. Ceylon Veterinary Journal 1959; 7:31-33.
17. Paramananthan DC, Dissanaïke AS. Sylvatic *Echinococcus* infection in Ceylon. Transactions of the Royal Society of Tropical Medicine & Hygiene 1960; 54:601.
18. Dissanaïke AS, Paramananthan DC. On the occurrence of *Echinococcus granulosus* (Batsch. 1786) in a Ceylon jackal. Ceylon Veterinary Journal 1960; 8:82-86.

19. Dissanaïke AS, Fernando CH. *Paratelfusa ceylonensis* C.H. Fern., second intermediate host of *Pleurogenoides sitapurii* (Srivastava). Journal of Parasitology 1960; 46:889-890.
20. Dissanaïke AS. *Hepatozoon canis* infection in dogs in Ceylon. Ceylon Veterinary Journal 1961; 8:144-145.
21. Dissanaïke AS, Paramananthan DC. *Brugia*-type adults and microfilariae in a Ceylon hare. Transactions of the Royal Society of Tropical Medicine & Hygiene 1961; 55:299.
22. Dissanaïke AS, Paramananthan DC. On *Brugia* (*Bugiella*) subgen, nov. *buckleyi*. n.sp., from the heart and blood vessels of the Ceylon hare. Journal of Helminthology 1961; 35:209-220.
23. Paramananthan DC, Dissanaïke AS. Sylvatic hydatid infection in Ceylon. Transactions of the Royal Society of Tropical Medicine & Hygiene 1961; 55:483.
24. Dissanaïke AS, Paramananthan DC. On an unusual brood capsule from a goat in Ceylon. Journal of Helminthology 1961; 35:221-224.
25. Dissanaïke AS, Paramananthan DC. *Paragonimus* infection in wild carnivores in Ceylon. Transactions of the Royal Society of Tropical Medicine & Hygiene 1961; 55:557.
26. Dissanaïke AS. On some helminths of dogs in Colombo and their bearing on human infections, with a description of a new Trematode *Heterophyopsis yehi* sp. nov., (Heterophyidae). Ceylon Journal of Medical Science 1961; 10:1-12.
27. Dissanaïke AS, Paramananthan DC. On *Capillaria hepatica* infection in the Ceylon bandicoot (*Bandicota malabarica*). Ceylon Veterinary Journal 1961; 9:9-11.
28. Dissanaïke AS, Paramananthan DC. Some observation on *Brugia* (*Brugiella*) *buckleyi* Dissanaïke and Paramananthan 1961 – a filarial worm from the heart and blood vessels of the Ceylon hare. Ceylon Journal of Medical Science 1962; 11:15-21.
29. Wijetilleka SE, Attygalle D, Dissanaïke AS. A Case of human infection with *Dirofilaria* (*Nochtiella*) sp., probably *repens*, from Ceylon. Ceylon Journal of Medical Science 1962; 11:51-54.
30. Dissanaïke AS, Paramananthan DC. On the occurrence and significance of hydatid cysts in the Ceylon sambhur *Rusa unicolor unicolor*. Ceylon Journal of Medical Science 1962; 11:29-45.
31. Dissanaïke AS. Observations on Echinococcus infection in Ceylon. Proc. First Regional Symp. on Scientific Knowledge of Tropical Parasites, Singapore, 1962; p. 223-240.
32. Dissanaïke AS, Paramananthan DC. *Paragonimus* infection in wild carnivores in Ceylon. Ceylon Journal of Medical Science 1962; 11:29-45.
33. Dissanaïke AS. The use of radiosotopes in the study of Helminth life cycles. In: Radioisotopes in Tropical Medicine. International Atomic Energy Agency, Vienna, 1962; p. 323-340.
34. Fernando CH, Dissanaïke AS. A hair worm (Gordiaceae) "parasitic" in a child in Ceylon. Ceylon Journal of Medical Science 1962; 11:47-49.
35. Dissanaïke AS. Research in Parasitology – Ceylon. Proc. First Regional Symp. on Scientific Knowledge of Tropical Parasites, Singapore, 1962; p. 11-19.
36. Dissanaïke AS. *Plasmodium* infection in Ceylon monkeys. Transactions of the Royal Society of Tropical Medicine & Hygiene 1963; 57:488-489.
37. Dissanaïke AS. On some blood parasites of wild animals in Ceylon. Ceylon Veterinary Journal 1963; 11:73-86.
38. Ratnavale WD, Dissanaïke AS. On the second case of human infection with *Dirofilariae* (*Nochtiella*) *repens*. Journal of Helminthology 1964; 38:287-290.

39. Jayasinghe JB, Fernando SDA, Dissanaïke AS. Electrocardiographic evidence of cardiac hypertrophy in a hare infected with the filarial worm *Brugia (Brugiella) buckleyi*. *Annals of Tropical Medicine & Parasitology* 1964; 8:328-331.
40. Dissanaïke AS, Paramananthan DC. *Mansonia crassipes* as the natural vector of *Filarioids*, *Plasmodium gallinaceum* and other Plasmodia of fowls in Ceylon. *Nature, Lond* 1965; 205:411-412.
41. Dissanaïke AS. Simian malaria parasites of Ceylon. *Bulletin of the World Health Organization* 1965; 32:593-597.
42. Dissanaïke AS, Nelson Pathmathevy, Garnham PCC. Two new malaria parasites, *Plasmodium cynomolgi ceyloneusis* subsp. nov., and *Plasmodium fragile* sp. nov., from monkeys in Ceylon. *Ceylon Journal of Medical Science* 1965; 14:1-9.
43. Dissanaïke AS, Nelson Pathmathevy, Fernando M. Agnes, Niles WJ. Studies on Haemosporidia of Ceylon birds with special reference to Plasmodia. *Ceylon Veterinary Journal* 1965; 13:65-75.
44. Dissanaïke AS, Fernando M. Agnes. *Cardiophilaria nilesi* n. sp. recovered from a chicken experimentally infected with larvae from *Mansonia crassipes*. *Journal of Helminthology* 1965; 39:151-158.
45. Dissanaïke AS, Niles WJ. Attempts to transmit *Wuchereria bancrofti* to cats and to a toque monkey. *Annals of Tropical Medicine & Parasitology* 1965; 59:189-192.
46. Dissanaïke AS. On some gaps in our knowledge of filariasis. *Ceylon Medical Journal* 1965; 10:48-57.
47. Dissanaïke AS, Garnham PCC. *Plasmodium simiovale* sp. nov. a new simian malaria parasite from Ceylon. *Ceylon Journal of Medical Science* 1965; 14:27-32.
48. Dissanaïke AS. Recent knowledge on filariasis in Ceylon. Abstracts, Second Medical Conference Parasitic Diseases, Bangkok, Thailand 1966; p. 33-35.
49. Dissanaïke AS. *Lankesterella lainsoni* sp. nov. from the Ceylon Mynah bird, *Acridotheres tristis melanosternus*. *Ceylon Journal of Biological Sciences* 1966; 225-229.
50. Dissanaïke AS, Dissanaïke GA, Niles WJ, Surendranathan R. Follow-up of ³²P labelled infective larvae of *Wuchereria bancrofti* in the skin of a kitten. *Journal of Helminthology* 1966; 40:297-308.
51. Dissanaïke AS, Niles WJ. On two infective filarial larvae in *Mansonia crassipes* with a note on other infective larvae in wild-caught mosquitoes in Ceylon. *Journal of Helminthology* 1967; 41:291-298.
52. Dissanaïke AS. *Pelecitus ceylonensis* n. sp., from the chick and ash-dove experimentally infected with larvae from *Mansonia crassipes*, and from naturally infected crows in Ceylon. *Ceylon Journal of Biological Sciences* 1967; 7:96-104.
53. Dissanaïke AS. Control of filariasis in Ceylon. *Proceedings of Seminar on Filariasis and Immunology of Parasitic Infections, Singapore* 1968; 149-161.
54. Dissanaïke AS. The status of research and study of filariasis in Ceylon. *Proceedings of Seminar on Filariasis and Immunology of Parasitic Infections, Singapore* 1968; 210-217.
55. Dissanaïke AS. Species of *Plasmodium* from Ceylon monkeys. Abstracts, Eighth International Congress of Tropical Medicine and Malaria, Teheran 1968.
56. Dissanaïke AS, Ponnudurai T. Some aspects of experimental filariasis in Ceylon. Abstracts Eighth International Congress of Tropical Medicine and Malaria, Teheran 1968, p. 93-94.
57. Dissanaïke AS. Proper study of mankind. *Proceedings of the Ceylon Association for the Advancement of Science* 1968; 2:115-142.

58. Attygalle Daphne, Dissanaïke AS. The third case of human infection with *Dirofilaria* sp. from Ceylon. H. D. Srivastava Commemoration Volume 1 1970; 453-454.
59. Dissanaïke AS. The parasitology, diagnosis & epidemiology of amoebiasis-symposium on amoebiasis, Transactions of the Ceylon College of Physicians 1970; 3:11-19.
60. Dissanaïke AS. Human infections with dirofilariæ: A filarial parasite of animals in Ceylon, with a brief review of recent cases. Ceylon Journal of Medical Science 1971; 16:91-99.
61. Dissanaïke AS. *Dirofilaria (Nochtiella) linstowi* n. sp. a filarioid of monkeys in Ceylon. Journal of Helminthology 1971; 46:117-124.
62. Dissanaïke AS, Lykov VP, Sriskandarajah Sivayoham I, Wijesekera SVJ, Perera MCS. Four more cases of human infection with *Dirofilaria (Nochtiella)*. Ceylon Medical Journal 1972; 17:105-112.
63. Murugasu R, Dissanaïke AS. First case of schistosomiasis in Malaysia. Transactions of the Royal Society of Tropical Medicine & Hygiene 1973; 67:880.
64. Dissanaïke AS, Quah Cheng Hock, Then Suke Min. A mature female filaria, probably *Brugia* sp. from the conjunctiva of a patient in West Malaysia. American Journal of Tropical Medicine & Hygiene 1974; 23:1023-1026.
65. Dissanaïke AS, Fernando MA. *Pelecitus galli* n. sp. from the Malayan jungle fowl *Gallus gallus spadiceus*. Journal of Helminthology; 48:199-203.
66. Dissanaïke AS, Ong HT, Kan SP. Trypanosome infections in Orang Asli (aborigines) in West Malaysia. Transactions of the Royal Society of Tropical Medicine & Hygiene 1974; 68:494-495.
67. Fernando MA, Dissanaïke AS. Studies on *Plasmodium gallinaceum* and *Plasmodium juxtannucleare* from the Malayan jungle fowl *Gallus gallus spadiceus*. Southeast Asian Journal of Tropical Medicine & Public Health 1975; 6:25-32.
68. Kannan Kutty M, Dissanaïke AS. A case of *Sarcocystis* infection in West Malaysia. Transactions of the Royal Society of Tropical Medicine & Hygiene 69:503-504.
69. Dissanaïke AS, Poopalachelvam M. *Sarcocystis booliati* n. sp. and a parasite of undetermined taxonomic position, *Octoplasma garnhami* n.g. n.sp., from the moonrat *Echinosorex gymnurus*. Southeast Asian Journal of Tropical Medicine & Public Health 1975; 6:175-185.
70. Kan SP, Dissanaïke AS. Ultrastructure of *Sarcocystis booliati* Dissanaïke & Poopalachelvam 1975 from the moonrat, *Echinosorex gymnurus*, in Malaysia. International Journal of Parasitology 1976; 6:321-326.
71. Kannan Kutty M, Mohan Das A, Dissanaïke AS. *Sarcocystis* infection in an Orang Asli: the second human case from Malaysia. Southeast Asian Journal of Tropical Medicine & Public Health 1975; 6:400-401.
72. Else James G, Thomas V, Kan SP, Dissanaïke AS. Further studies on trypanosomiasis in Orang Asli (aborigines) in West Malaysia. Transactions of the Royal Society of Tropical Medicine & Hygiene 1976; 70:170-171.
73. Eng-Lam Lee, Iyngkaran N, Grieve AW, Robinson Maxwell J, Dissanaïke AS. Therapeutic evaluation of oxantel pamoate (1, 4, 5, 6, - Tetrahydro-1-methyl-2-(Trans-3-hydroxystyryl) pyrimidine pamoate) in severe *Trichuris trichiura* infection. American Journal of Tropical Medicine & Hygiene 1976; 25:563-567.

74. Iyngkaran Nagalingam, Lee Eng-Lam, Maxwell J. Robinson, Dissanaïke AS. Mebendazole in treatment of severe *Trichuris trichiura* infection in Malaysian children. American Journal of Tropical Medicine & Hygiene 1976; 25:568-572.
